## GENERAL INFORMATION

**Order Early** — To prevent disappointment. We do not substitute, but, if possible, please mention your second choice.

**Terms** — Remittance with order. All retail orders sent postpaid at your planting time, unless otherwise requested.

**Guarantee** — Orders filled with carefully selected, field grown divided roots (no green plants), true to name, and guaranteed to reach the customer in growing condition.

While we take the greatest care to select only stock which will produce satisfactory results, we cannot assume responsibility for the hazards of growth after planting.

All orders and communications should be addressed

- WHITE STAR** — Star — Dup. — A free blooming small white that is very attractive ..... .50

# Pompon or Bouquet Dahlias

These are a small Ball Type which, for show purposes, must not be over two inches in diameter. They have long stems and are great bloomers; are ideal for cut flowers as they are very lasting.

Pompon and Miniature Dahlias should not be heavily fertilized, but grown rather poor.

Note: Varieties (\*) are the best for exhibition.

<b>*AIMEE</b> —Tiny bronze with long stems	.35
<b>AMBER QUEEN</b> —Clear rich amber, shaded apricot .....	.35
<b>ANNA KRISTINA</b> — Golden yellow, deeper at center.....	.35
